

# **Take Another Look at Summer Food: Simplified Rules Make It Easier**

## **School Nutrition Association Annual National Conference**

### **Child Nutrition Track Education Session**

**Presentation Title: Take Another Look at Summer Food: Simplified Rules Make It Easier**

**Speaker: Julie Brewer and Susan Ponemon**

**Date and Time: Monday, July 21, 3:30 - 4:30**

**Description: This workshop will describe the recent changes to the Summer Food Service Program that make it easier to provide meals to kids when school is not in session. Participants will also learn and discuss creative partnership and outreach ideas as well as nutrition education resources that can help make summer programs more fun and increase participation.**

#### **Session content:**

- 1. Simplified Procedures in SFSP**
  - **Basic program overview**
  - **Description of simplified claiming procedures and reimbursements**
- 2. Partnerships and Outreach**
  - **Working with other organizations in the community**
  - **Creative ideas for bringing kids into the program**
  - **Free on-line resources for nutrition education**
- 3. Questions and idea sharing**
