National School Breakfast Week March, 2-6 2009

Kablam!

The 'Power Up with School Breakfast' campaign features a team of superheroes who introduce students to the importance of eating school breakfast every day. Using a series of interactive tools and activities, students meet the school breakfast heroes and learn about the importance of eating healthy, eating a variety of foods and being active. By eating school breakfast, students can power up to become superheroes themselves.

The campaign runs from November 2008 to March 2009, culminating during National School Breakfast Week, March 2-6, 2009.

Key Message

School breakfast provides the necessary fuel to 'Power Up' for a day of learning and achievement, *and* meets dietary guidelines.

Design Your Own Breakfast Superhero!

'Power Up with School Breakfast' includes a 'Design Your Own Breakfast Superhero' contest, which challenges students to design and name their own school breakfast superheroes and explain their super powers.

Three national winners will receive a signed illustration of their breakfast hero drawn by a professional artist. The local contests will run January 1, 2009 to March 6, 2009, and national entries are due March 20, 2009. Find out more at www.schoolbreakfast.org
