

Thank you for your interest in our MSNA video. This email is being sent to you because either you volunteered to be part of the project or your district was recommended by a fellow member. Here's an update on the project.

1. An outline for the video was created.
2. A rough draft of the script was reviewed on _____.
3. Suggested revisions of the script are being drafted for approval.
4. Final script review is planned for _____.
5. Script will be sent by email to the executive board members for approval.
6. Filming crew will scout the locations that have offered to have footage taped.
7. Taping will begin at the MSNA Academy this Saturday and continue the first 2 weeks of May.

Here is a list of story ideas that has been received by MSNA that are being considered for filming:

1. Garden City Ele BBQ – Brooklyn Center on May 3.
2. Wilmar school visit – focus and location to be determined.
3. White Bear Lake visit – date and focus to be determined.
4. Champlin High School/Anoka – date and focus to be determined.
5. St. Cloud – Queen for a Day – date to be determined.
6. Lakeville – focus on the importance of education – date to be determined.
7. South Washington School visit – date and focus to be determined
8. Myrna Erickson filmed on the steps of the State Capitol talking about legislative focus – date to be determined.

Please review the list above and fill in the blanks for the film crew who is in need of more information before we visit your district/school site.

Some of the questions we have are:

- Which school site are you recommending for filming?
- Who is the contact person? (please include phone number as well as email address)
- What is unique about your program?
- What is the “favorite story”/“meaningful moment” you want told?

Please respond to _____ by return email or call me at the number listed below if you have questions. We are looking forward to your participation in this exciting project.
