

DETERMINING YOUR BREAKFAST POTENTIAL

SAMPLE

SCHOOL: Dairy Ridge Elementary (250 students)

ADP: (Average Daily Participation/Breakfast) Starting Point 22/day

3 WAYS TO LOOK AT BREAKFAST POTENTIAL

1. Full Breakfast Potential

(94% of Enrollment or the Average Daily Attendance)

$$\text{Enrollment} \times .94 = \underline{235}$$

2. Almost Full Breakfast Potential

(Fill in your ADP for Lunch Participation)

$$= \underline{200}$$

3. FRAC Breakfast Potential

(60% of Approved Free, Reduced and Paid)

$$= \underline{250 \times .60 = 150}$$
