

Power Up Power Meter

TARGET PARTICIPATION

INSTRUCTIONS:

Use the Power Meter to track how "Power Up with School Breakfast" is helping increase school breakfast participation.

1. Record your average participation in the box at the base of the power meter.
2. Set a stretch target for participation and record in the target participation box.
3. Track your participation numbers on the meter by coloring or checking off progress.
4. Display your Power meter in your school kitchen.
5. Send in your completed Power Meter to SNA—Power Meter, 700 S. Washington St., Suite 300, Alexandria, VA, 22314 or fax to (703) 739-3915.
