

Paper Ballot

Instructions

A paper ballot is a great way to get involved in Vote for School Lunch, especially if you don't have access to a computer to vote online. If you want to use a paper ballot at your school, it couldn't be easier. Here are the basic steps:

1. Copy as many of the Paper Ballots for Students (shown on page 11) as you need. Cut them along the border.
2. Hand a paper ballot to every student participating in the cafeteria vote.
3. Place a ballot box in your cafeteria and invite students to each pick a favorite and place a vote in a box.

4. Count the number of votes for each candidate and announce the winner in your cafeteria.

5. Complete the collated Results Form below (or downloadable online) and fax to (703) 739-3915 or mail to:

SNA—Vote for School Lunch
 700 S. Washington St., Suite 300
 Alexandria, VA 22314

Faxing or sending the collated Results Form will ensure that your votes are entered into the national total. **The deadline for SNA to receive paper ballots is October 22, 2008.**
